## A big reason for big smile

Mayo's Sebastian Vile had his way in this year's final.

By HEATHER HULL • Special to the Star Tribune

After he watched the ball settle into the net of his opponent's strings on match point, Rochester Mayo senior Sebastian Vile dropped his racket at the baseline and calmly pumped his fist in celebration of his Class 2A boys' tennis championship.

It was a much different picture than a year earlier when he lost the final.

"I think my facial expression is probably the best indicator," Vile said. "Last year I was literally crying, but this year, big smile on my face."

Top-seeded Vile won the singles title with a 6-2, 6-1 victory over Eagan Junior Maxin Zagrebny on Friday at Baseline Tennis Center at the University of Minnesota. Unlike last year when he won the first set, Vile said he relaxed this time. Last year he was still tight, he said, and lost in three sets after leading 1-1 in the first set.

"I've developed the attitude that if someone's going to beat me, they're going to have to beat me," Vile said. "I was a little nervous, but I was getting a handle on the situation during the second set."

The toughest part for Zagrebny, he said, was "one getting a handle on the situation during the second set."

"I did get a game, but he just kept going and I give him credit for the win," Zagrebny said.

After getting broken to make it 2-2 in the first set, Vile cruised to the finish. He quickly won 10 of 12 points on his way to a 4-0 lead, using ace and forehand winners. The second set was about the best the Sparta student has played all year, according to his coach, Jeff Demary.

"I would say when he forehand to like that, it's pretty tough," Demary said.

Vile's serve is another piece that has worked on and improved immensely from last season, Demary said. Vile got to work right away last June, hitting the grass and the court. His parents even had to tell him to take a couple of days because of how hard he worked.

"I was working my body to basically breaking points," said Vile, who plans to play tennis next year for the Cougars.

**Eastview tandem wins doubles**

Sophomore Niall Lippman and junior Sorarab Teraknambi of Eastview, who were not seeded, won the Class 2A doubles championship with a 6-3, 5-7 victory over the third-seeded team of Minnetonka seniors Frank Strach and Benjamin Wheaton.

Denfeld's Bush prevails for title

By NATE GOVILLO • Special to the Star Tribune

Third-seeded Demetri Bush of Duluth Denfeld defeated top-seeded Parker Law of Minnetonka to win the Class 1A boys' tennis championship at Reed-Sweatt Family Tennis Center in Minneapolis.

Bush, a senior who attends Minnesota Virtual Academy, traded eight games with the host of Law to start the match before winning the first set. He went out Law's 12-10 unforced errors in the second set before winning it.

"It was such a good match. In terms of quality," said Bush, who first made the state tournament as a sophomore at Duluth Marshall two years ago.

Both opted to compete in U.S. Tennis Association tournaments instead of the High School League last year before joining the Denfeld team this spring. The team, which had eight eighth-graders, went 1-1 in matches through Bush.

Denfeld coach Katelyn McDonald said he was initially unsure how Bush would fit into the team, which he recruited at the school four years ago. But she said teammates have rallied around Bush and that he's energized some to keep working at the sport.

Bush lost only five games in his first two state matches Thursday before defeating second-seeded Drew Edmondson of Parkersburg, West Virginia, in the championship match because of his length.

"I just can't reach the full length on my strokes against a very tall guy," he said.

Bush said the turning point in the match was his six-club game in the first set, for which he was out of control.

"He worked so hard for this, and he's been in so much time," McDonald said. "He's earned it."
