## Minnetonka seeded first in Class 2A, Warroad in 1A

By DAVID LA VOGUE  
david.lavogue@startribune.com

Even before his Minnetonka hockey players finished receiving their helmets, gloves and sticks scattered in postgame celebration Thursday, coach Sean Goldworsky got busy jockeying for the No. 1 seed.

His skippers had edged Chaska in a season filled with high-profile games, with Whitman once said, "If you do it, it isn't bragging." So Goldworsky was busy about Minnetonka's bona fides.

"We've been in fewer games this year where going in it was No. 1 versus No. 2, and we've been on the winning end of that every time," he said. "We've earned the No. 1 seed and the top ranking. People have to respect that we've shown up against everybody I think this team deserves a little more credit for what it's been doing."

Credit received, Minnetonka got the top seed Saturday morning for the week's Class 2A state tournament. The Skippers (20-2) will face unseeded Hill-Murray (13-14-1) at 9 p.m. Thursday at the Xcel Energy Center.

Minnetonka has bested five of the teams in Class 2A, fielding a total of six titles. That list: the Pioneers, No. 3 seed Edina (twice), No. 4 Ansover, No. 5 Lakewood/South and Moorhead.

### BOYS SWIMMING CLASS 2A MEET

## Relays are Eden Prairie highlight

The members of the Eden Prairie's 200-yard freestyle relay team looked up at the video board once the anchor swimmers touched the wall. Seeing the results of their victory by two hundredths of a second over Edina, the Eagles erupted into euphoria.

"That was the most insane race I have ever seen in my career," Eden Prairie swimmer Luke Hoger said. "I've been at national meets, but that was my favorite race I've ever watched, by far."

It was the second of the three relays Eden Prairie won as it led the Class 2A meet from start to finish and took its first boys swimming and diving team championship since 2016, and seventh overall. Saturday evening,

at Jean K. Freeman Aquatic Center at the University of Minnesota campus.

The Eagles finished with 203.5 points, ahead of four-time defending champion Edina's 199. Prior Lake took third with 194 points. The race came on the heels of a good season, said Edina coach Kelly Boston.

"We came out of this meet thinking we could win it," Boston said. "Then last night, Edina had a really good prelim and put us in a hole a little bit."

It marked the first time Eden Prairie swept the relays, Boston said, and they picked up medals in all but two events, the 200 backstroke and 400 backstroke, along with starting the 200 medley relay and anchoring the 400 freestyle relay.

## Breck/Blake hit the right numbers

By HEATHER RULE  
Special to the Star Tribune

Josh March had a number on his paper all season, his coach Brian Wright said. 4 minutes, 34.46 seconds. The 400 freestyle relay (back-to-back) took 12 seconds, 13.83 seconds.

"We definitely are blessed with some athletes," Wright said.

One day after setting a record in the 300 freestyle and diving state meet, Wright's son, Charlie, placed last in the 200 individual medley and was on one of the relays. But he was happy with his record-setting performance in the prelims.

"I obviously wanted to try to be better," Wright said. "I didn't really work out. That's why I just wanted to go out in prelims, just to get a good opportunity as possible to go after that."

Hutchinson Junior Center Hoger was the only anchor
